ABOUT US

Southern Star Salon is a proud member of the Southern Careers Institute School of Cosmetology. All of our salon services are offered by cosmetology students with over 700 clock hours of training and are performed under the supervision of a licensed, dedicated and experienced instructor.

Southern Careers Institute has invested in their teaching staff & equipment to provide a unique take on hair cutting and coloring methodology in a hands-on learning environment.

If you count hard work, commitment and dedication as your personality traits, and you consider creativity, flexibility and financial rewards high on your list of career objectives, then a future in hair and beauty may be for you. There is no better place to start that journey than at the Southern Careers Institute | School of Cosmetology.

OUR MISSION

Great hair design begins with the client. We study individual features, characteristics and personal style. Applying each cut & color with careful consideration and precision, we create the ultimate individualized look that's effortlessly sophisticated.

All prices are subject to change based upon hair length, texture, color, and type.
Final prices given and payment received at end of service.
